sunday

- 4.00pm Keep the 70's alive with Love Machine

stay safe and enjoy your weekend

To enable you to fully enjoy your stay with us and to ensure your safety, please ensure that you and your family are familiar with the information below.

stay safe

Please be aware that your holiday accommodation will be largely unfamiliar to you particularly at the start of your break. It is important therefore that you take extra care of yourselves and your children particularly in areas where there may be hot surfaces, equipment and furniture, which could cause injury if adequate levels of care and supervision of children are not taken. If there are any defective items, please inform guest services.

Familiarise your children with the Resort, the location of your accommodation and its name or number.

For your safety, there are instructions posted in your unit of accommodation telling you what to do in the case of fire. In an evacuation of a venue becomes necessary, please follow instructions given to you by our trained staff who will direct you to a place of safety.

There is a smoke detector in every unit of accommodation. If this beeps intermittently, inform guest services who will arrange for the battery to be changed.

When using cooking appliances that you are not familiar with please take care to ensure food is properly cooked.

If you have an accident whilst on resort, please inform guest services who will arrange for medical treatment to be provided.

emergencies:

Phone 01754 799633 this will put you through to the Main Enquiry which is open 24hrs every day.

winter safe

During icy conditions, major roads and access routes to accommodation and facilities are treated to allow safe movement around the resort. If you identify any area where further treatment is required please inform Guest Services.

play safe

Please follow the safety notices posted at all indoor and outdoor play areas. It is important that children are supervised by a responsible adult at all times when using these areas.

swim safe

A responsible adult must accompany children under 8 years of age and all non-swimmers under the age of 14 in the water before entering the pool.

- Remove jewellery. It must not be worn on the flumes or slides and lifeguards cannot accept responsibility for looking after it.
- In the interest of hygiene, please shower and encourage children to use the toilet before swimming.
- Inflatable toys or boats are not allowed in the pool.
- Swimsuit is compulsory for all ages, for hygiene reasons, whilst in the pool.
- Our Royal Life Saving Society lifeguards will be on duty. Please listen to their instructions which are for your safety.
- Diving and jumping are strictly prohibited.
- Please observe the pool depth markings.
- If you require first aid, please inform a member of staff.
- All non-or-week swimmers should not go out of their depth. Children using swim-aids such as armbands must be constantly supervised. Large inflatables are not permitted.
- Height restrictions are in force on some slides.

drive safe

Please observe the 30mph speed limit when driving on Resort. Take care when parking your vehicle. Always use the designated areas.

All roads within the Resort are subject to the Road Traffic Act in the same way as public roads. It is therefore an offence to be in charge of a motor vehicle whilst under the influence of alcohol or drugs.

CCTV

Bolton Skyline Ltd. operates a CCTV system in several venues and around the Resort.

Identity Bracelets - these are available for all children under 6 years old.

Lost Children - All children who have lost their families will be brought to the Nursery Nurses. Please contact us at a Security Officer or Reception if you cannot find your child.
